

TRANSFORM YOUR SPACE

Schell group was established in Kochi in the year 2019 and with our uncompromised quality and service we have grown as we are today. Started with interior decorations and fabrication now we have spread our wings into façade and structural glazing, aluminium and uPVC windows and doors, glass and paneling solutions. We are a technology driven company and offer customized solutions to our customers. We offer aesthetically pleasing designs which are truly ahead of time.

SCHSELL

glass solutions

Schell universal glass solution is suitable for both commercial and residential spaces. Their flexibility and sleek modern look will complement every interior. Constructed from high-quality materials – tempered or laminated glass, customizable hardware from the best manufacturers. We offer glass handrails, shower partitions, office partitions and structural glazing

aluminium and uPVC windows

Schell has introduced the system of sliding doors and fixed panels to evoke the lightness of your interiors. Our system features fixed and sliding panels placed on one, two or three rails. They sit within a slim aluminium / uPVC frame with finish options including various woods, metals and matt lacquered colours.
